Internship
Blockchain Investment Fund
Location: Frankfurt / Main

About the Job
You will be at the centre of the investment decision process, performing analysis during the due diligence phase of our investment process. You will be working in a fast paced environment as a team member of the first BaFin registered blockchain investment fund in Germany.

Responsibilities
▪ Performing due diligence and financial analysis of potential investment targets
▪ Presenting due diligence results in front of Management Board
▪ Writing investment memorandum on prospective investments and presenting results
▪ Presenting business innovations in blockchain space to the Management Board
▪ Challenging business benefits of blockchain platforms and application
▪ Producing high-quality research reports
▪ Supporting the Investment Team and the General Partners in operational tasks

Requirements
▪ Ideally experience in M&A, Private Equity, Venture Capital, or Consulting
▪ Ideally experience in the digital tech space
▪ First class education with excellent academic record
▪ Highly entrepreneurial, demonstrated through both your work and personal life
▪ Analytical and commercial acumen
▪ Clear and articulate communication style
▪ Advanced knowledge in Microsoft Office (especially Word, Excel and Powerpoint)

Additional must haves
▪ Excellent interpersonal, communication, problem solving and analytical skills
▪ Strong organizational skills, attention to detail and excellent follow-through
▪ Openness for acquiring new skills and learning new technologies
▪ Self-motivation to learn about new businesses
▪ Fluency in English, German skills as addition welcome/ not necessary
▪ Passionate about the blockchain space and desire to learn more about crypto asset investing
