

We advise corporations on transactions that transform industries.

What progress will you make?

INVESTMENT BANKING WORKSHOP

Are you fascinated by the idea of a career in Investment Banking? Perhaps you know where you would like to be but want to find out how to get there?

Come in and find out how Investment Banking works, get a first-hand understanding of the dynamics in mergers & acquisitions and capital markets. You will discover how to develop your career in Investment Banking at Citi and meet senior bankers. In this workshop we will present case studies of our most recent and prominent deals as well as discuss a range of products and valuation techniques you will come across in Investment Banking. You will be also working on a case study in teams, while supported by Citi's Investment Bankers. At the end of the workshop there will be a networking reception to get to know us better.

Date:
09 October 2018

Time:
17:00 - open end

Location:
Campus Frankfurt School

This is an invite only event. Please apply online at citi.me/2ME9ZfP by latest 01 October 2018.

OPEN PROGRAMS IN INVESTMENT BANKING FOR 2019

Citi's Investment Banking team advises corporate clients all over the world who want to raise funds in capital markets and who need advice in strategic transactions. Projects you will be working on with clients include mergers, acquisitions, divestitures, financial restructurings as well as underwriting and distributing equity, debt and derivative securities.

Our Frankfurt office covers the third largest market for Citi globally after the US and the UK, and 90 years of history in Germany have led to Citi covering the largest German corporate footprint of any non-domestic bank.

INVESTMENT BANKING FULL TIME ANALYST 2019

Citi's Investment Banking team in Frankfurt is seeking new talented Full Time Analysts to join the team in Summer 2019.

The Analyst program starts in July 2019 and begins with a five week, in-depth training in London before you hit your desk.

Your time on the Program will be spent doing any or all of the following:

- Conducting research and analyzing industry trends related to business development
- Building financial models, assessing valuations, and exploring corporate finance solutions for big-picture financial analyses
- Participating in client development, including coordinating data with clients and assisting in the presentation of new ideas to clients

Please apply online at citi.me/2ooGRKG.

INVESTMENT BANKING PLACEMENT ANALYST (INTERN) 2019

Citi's Investment Banking team in Frankfurt is seeking new talented Placement Analysts (Interns) to join the team in 2019.

During your 3 month internship you will be fully integrated into the day-to-day business of our project teams advising clients on transactions. You will be essentially supporting the Investment Banking team by conducting research and analysing industry trends, preparing client presentations, building financial models and conducting company valuations.

Please apply online at citi.me/2Nx8mNe.
