

We advise corporations on transactions that transform industries.

What progress will you make?

CITI WOMEN NETWORKING BREAKFAST

Are you interested to learn more about the Banking industry? Perhaps you know where you would like to be but want to find out how to get there?

Citi's increasingly diverse employee population will play a large role in our company's competitive and economic future. The success to date of women within our organization is one example of our long-standing commitment to diversity and makes us honored to take on a leadership role in women's initiatives. As an organization, we are proud to provide development programs, networking opportunities and business engagements that will deliver the greatest opportunity of success for our female population.

We would like to invite you for a breakfast in our Frankfurt office to meet our senior and junior bankers and to learn more about our three divisions Investment Banking, Corporate Banking and Markets and where Citi can take you.
