

## Evercore Frankfurt | Analyst Program

Established in 1995 and publicly listed on the NYSE, Evercore is a leading global independent investment banking advisory firm. Evercore advises a diverse set of clients on a wide range of transactions and provides institutional investors with high quality equity research, sales and trading execution that is free of conflicts created by proprietary activities. The firm also offers investment management services to high net worth and institutional investors. With 30 offices in North America, Europe, South America and Asia, Evercore has the scale and strength to serve clients globally through a focused and tailored approach designed to meet their unique needs. More information about Evercore can be found on our website at [www.evercore.com](http://www.evercore.com).

Our business has been growing rapidly in recent years, particularly in Europe. To continue to grow and succeed, we seek to recruit exceptional individuals that have the potential to offer the highest levels of professionalism and expertise.

### Analysts

Our Analyst program provides successful candidates with excellent training and support during their first year on the job and throughout their careers with Evercore. While a global firm with offices around the world, the focus and size of our Frankfurt office ensures that new Analysts receive immediate exposure to active M&A and capital markets transactions, to senior executives of the firm and our clients. We are seeking to attract the most talented and accomplished individuals to join our team and are open to applications throughout the year.

### What makes an Evercore Analyst

At Evercore, we seek high calibre individuals equipped with the skills and attitude to achieve success in our dynamic environment. Besides an excellent academic performance, we also look for:

- A strong interest in investment banking and global markets
- Previous work experience in the financial sector
- Quantitative and analytical acumen
- Demonstrable ability and desire to work as part of a team
- Evidence of achievement outside the academic sphere
- Enthusiasm and commitment, with a passion for continual learning
- Strong communication and organisational skills
- Honesty, integrity and a respectful attitude
- Fluency in German and English

### The Role

Analysts will be responsible for a variety of tasks including preparing for and attending client meetings, financial modelling, valuation, industry analysis, due diligence and new client development. Analysts typically work as part of small teams and have close interactions with clients as well as senior bankers within the firm.
