

Evercore Frankfurt | Internship Program

Established in 1995 and publicly listed on the NYSE, Evercore is a leading global independent investment banking advisory firm. Evercore advises a diverse set of clients on a wide range of transactions and provides institutional investors with high quality equity research, sales and trading execution that is free of conflicts created by proprietary activities. The firm also offers investment management services to high net worth and institutional investors. With 30 offices in North America, Europe, South America and Asia, Evercore has the scale and strength to serve clients globally through a focused and tailored approach designed to meet their unique needs. More information about Evercore can be found on our website at www.evercore.com.

Our business has been growing rapidly in recent years, particularly in Europe. To continue to grow and succeed, we seek to recruit exceptional individuals that have the potential to offer the highest levels of professionalism and expertise.

Internships

Our internship program provides students with the opportunity to get first-hand insights into investment banking and can act as a stepping stone for a full-time position at Evercore. While a global firm with offices around the world, the focus and size of our Frankfurt office ensures that Interns receive immediate exposure to active M&A and capital markets transactions as well as to senior executives of the firm. We are seeking to attract the most talented and accomplished individuals to join our team and are open for applications throughout the year for periods from 3 to 6 months.

What makes an Evercore Intern

At Evercore, we seek high calibre individuals equipped with the skills and attitude to achieve success in our dynamic environment. Besides an excellent academic performance, we also look for:

- A strong interest in investment banking and global markets
- Quantitative and analytical acumen
- Demonstrable ability and desire to work as part of a team
- Evidence of achievement outside the academic sphere
- Enthusiasm and commitment, with a passion for continual learning
- Strong communication and organisational skills
- Honesty, integrity and a respectful attitude
- Fluency in German and English

The Role

Interns will support the team in a variety of tasks including preparing for client meetings, financial modelling, valuation, industry analysis, due diligence and new client development. Interns typically work as part of small teams and have close interactions with bankers within the firm. Interns will incorporate many aspects of the role of an Analyst in the daily business and will therefore gain valuable insights into a future career at Evercore.
