

# Looking for an internship? Get your career off to a **flying start** with UBS

**UBS is one of the leading providers of Equity Derivatives and Structured Products globally.**

Our sales team based in Frankfurt offers tailor made solutions to banks, asset managers, intermediaries, direct brokers and private retail investors.

We currently have a **4 - 6 month** off-cycle internship opportunity in our **Global Equity Derivatives (GED) business**, which provides services to investors across financial markets.

**GED Public Distribution** in Frankfurt:

As an intern you will work alongside our investment banking professionals, learning the skills and knowledge necessary to become an integral member of our team. For those with initiative, flexibility and commitment, this is an opportunity to get hands-on experience and develop important analytical and communication skills at one of the most prestigious financial services providers in the world.

**Want to take the next step?** You are looking to complete an internship concurrent to your studies. You also need to be fluent in English and German. Anything else? Besides demonstrating a keen interest in Capital Markets and Structured Products, show the commitment to go the extra mile and the passion it takes to be successful in this environment!
