

# Graduate Position in Macro Sales

## Internship and Graduate Position in Macro Sales for Germany, Austria and Switzerland

### Job Opportunity

Barclays is looking for interns and a graduate interested in joining the German, Swiss & Austrian Macro Sales Team, being located in Frankfurt.

### About Barclays in Frankfurt

Barclays is a transatlantic consumer, corporate and investment bank offering products and services across personal, corporate and investment banking, credit cards and wealth management. With over 325 years of history and expertise in banking, Barclays operates in over 40 countries and employs approximately 85,000 people. We are proud to serve the German market with the full range of investment banking products and services with more than 150 people on the ground in Frankfurt.

### What your new team does

The Macro Sales Team is part of the wider Markets business at Barclays. Joining the Macro Sales Team means becoming part of a key player in the global financial market. Across the full range of asset classes, we execute and risk-manage trades for major clients including banks, asset managers, pension funds and public sector institutions. Sales plays a key role in the growth of our clients' businesses and our own. We deliver them solutions that are robust, innovative and truly best in class.

As a member of the global distribution team, you will work hand in hand with other business areas such as Research or Trading, but also with other asset classes such as FX, EM, Credit and Equities.

You will start with on-the-desk training and get integrated into our day-to-day job from day one. As Graduate, you will also join our Global graduate training class in London which will allow you to learn more about Barclays but also refresh your theoretical skills. Moreover you will be able to connect with your peers.

### Who thrives here

The team is seeking individuals with fluency in both German and English (written/spoken) excelling in the following skill set:

- Strong team player
- High motivation
- Enthusiasm and entrepreneurial spirit
- Interest in financial markets with strong analytical mindset
- Practical experience (like internships) in Trading, Structuring or Sales departments of larger financial institutions
